

Healing in the Light of Hope:

Finding Christ in the Midst of the Storm

Healing. It's within your reach.

We've all suffered tragedies and sorrows. These experiences, along with our anxieties and fears, can weaken - and even shatter - our trust and hope. But God is faithful. He wants to heal us. He loves us and will never invade our boundaries, so we need to reach out to Him in the midst of our pain and invite Him *into* it. Jesus didn't come to *take away* our suffering, but to *fill it* with His Holy and Life-Giving Presence.

This unique evening of meditation is brought to you by Dr. Theresa Burke, Founder of the retreat programs: *Rachel's Vineyard* (Healing the Wounds of Abortion), *Grief to Grace* (Healing the Wounds of Abuse), and *Duty to Heal* (Finding Peace for a Soldier's Heart). She'll take a few minutes to explain trauma and healing, after which we'll have two speakers give thought-provoking messages about their own healing. Dr. Burke will then help us enter into a Living Scripture meditation.
