About Rachel’s Vineyard Ministries

Rachel's Vineyard is a safe place to renew, rebuild and redeem grieving hearts. Weekend retreats offer a supportive, confidential and non-judgmental environment where women and men can express, release and reconcile painful post-abortion emotions to begin the process of restoration, renewal and healing.

Rachel's Vineyard is a therapy for the soul. Participants, who have been trapped in anger toward themselves or others, experience forgiveness. Peace is found. Lives are restored. A sense of hope and meaning for the future is finally re-discovered.

Rachel's Vineyard support groups and weekend retreats for healing after abortion are now offered in 49 states. Over 2,000 retreats have been completed since the ministry began. The international outreach of Rachel's Vineyard, a non-profit organization, is now growing in 27 countries worldwide.

Rachel's Vineyard is a ministry of Priests for Life.

Rachel's Vineyard Ministries Hawaii and this clinical seminar is sponsored by The Respect Life Office of the Roman Catholic Church in Hawaii.

• Explore how the brain works and what we know about how a brain malfunctions when there has been emotional psychic trauma.

• Understand why the mental health community frequently fails to recognize post-abortion emotional distress and provide appropriate treatment.
